PENNY'S WORDS OF WISDOM

Greetings to all the Dynamite District 6 members and beyond. I am sure you are all busy after settling back in after the holidays. After seeing all that your units did to help support our Veterans and Community it was truly heartwarming.

I was honored to attend the Homecoming of our very own Department of Florida President Charlotte Bass this past Saturday. It was a great evening celebrating her leadership, accomplishments and friendship. So many District presidents and officers were in attendances, it was wonderful to spend the evening sharing ideas with them. Congratulations Charlotte on a wonderful homecoming.

As we are about to enter into February, I would like to remind you that now is the time to start getting your Girls State Candidates in order with interviews, paperwork and orientation.

The following dates have been set aside for orientation for the 6th District :

April 12, 2025, Saturday
Unit 286 Pinecastle
Registration: 9:00 am
Meeting: 9:30 am

May 4, 2025, Sunday
Unit 219 Fruitland Park
Registration: 9:00 am
Meeting: 9:30 am

I had the honor of meeting our National Commander James A. LaCoursiere, Jr from Connecticut as he toured around the great state of Florida and visited my home Post American Legion Old Glory Post 183. I brought along 5th District President Julie Kay as she was in town to attend the ABC School that was Held on January 11th at Unit 55 in Clermont. We had a great attendance and we were even joined by Post 55 Commander and Sons of the American Legion Commander. A huge shout out to everyone who attended and our great instructors Treva Kay Wildrick and Eileen Wilson.

Thank you for all you do and keep up the great work!

For God and Country, Penny Kanbara

Stories From Our Units

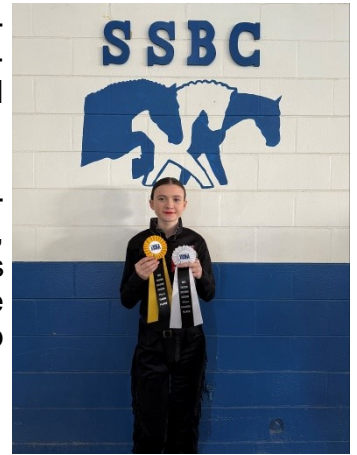

ORLANDO UNIT 19

Unit 19 has 3 active Juniors. They all attended the Youth Equestrian Development Association's competition in New Smyrna Beach on January 11 and 12. We also had 3 Unit members, 1 SAL, and 1 Legionnaire attend the event.

Evelyn competed in her first equestrian competition. She was assigned a horse and had to complete all kinds of skills, rails, and patterns. It's all about controlling the horse.

She competed in various events and received ribbons for :1 third place, 3 fourth place, 1 fifth place, and 1 sixth place. The judges changed the horses they had to ride, and she did get an uncooperative horse. We were all glad that she was able to keep "Skeeter" under control.

For the Martin Luther King Day of Service, Kathy DeRouin from Unit 19 painted the Glen Arden Heights subdivision planter. Outside their neighborhood.

WINTER PARK UNIT 112

Our Unit is hard at work with our schools to get entries for the Americanism Essay Contest. We have contacted the six elementary schools and five high schools we work with and we are expecting lots of essays before we judge them at our February meeting. 5th grade winners from each school are presented with a bronze medal at their school graduation ceremonies in May and the high school winners receive the gold medal. Of course, our winners are submitted to Department for the Department contest.

We have also turned in our paperwork and payments for both a delegate and an over-quota delegate for this summer's Girls State. We already have candidates from four of the high schools we have contacted and are expecting several other interested girls to contact our Girls State Chair. Our interviews will be at the end of February. When the girls return from Girls State, they are invited to attend the August joint session with Post 112 to share their experiences as well as learn about the Boys State program from the Posts delegates. At that time, the girls are presented with their Girls State certificates and medals. Since we have members whose spouses are members at Oviedo Post 243 which does not have an Auxiliary Unit, we encourage our delegates to share their experiences with the Post 243 members as well. Pictures from our Girls State interviews will be shared next month.

We are also looking ahead to our Unit elections. Our nominating committee will be formed next month so our slate can be presented in April and our elections held in May.

Greetings from Unit 183 Old Glory, Fern Park.

Our unit is currently working on preparing Valentine's Day cards for our Veteran's in nursing homes and we are working with the Legion on delivering/sending goodies for nursing home visits.

Our unit had 6 members attending the recent district 6 ABC school at Post 55 Clermont (thanks for hosting)!

More news to follow next month!

PINECASTLE UNIT 286

Unit 286 has been working very hard and getting membership renewals. A lot of members are very helpful when it comes to reminding people that their dues are due. With all the helpers we were finally able to get to the 100% renewal. As of last week, the unit is at 104.88%. I personally have fun trying to figure out how many more members need to pay in order for us to reach goals that are set. Even Department Membership Chairman Jan Farrington has me figure out numbers for her. It takes lots of teamwork to reach our goals.

The unit had several members that volunteered to serve lunch when the National Commander came to visit the post. Unfortunately, he was there for lunch so not many of us could attend. Later that night we had District 5 President Julie K, District 6 President Penny and her husband Scotty come for a surprise visit. Fun was had by all that day between the commander visit and two district presidents visit.

Three of our members visited the Morgan Center for Children and made a donation for the cancer program that they have there.

First Vice Laurie Mesa and Second Vice/Membership Robin Shellhammer attended Department President Charlotte Bass's homecoming. Also in attendance were Squadron 286 1st Vice John Deep and Past Commander Doug Shellhammer. It was a great evening celebrating our department president. While attending the homecoming Department Membership Chairman presented those that were attendance with their 100% membership pins.

The unit is working hard on getting applicants for Girls State. We will be doing our interviews on February 15th to select our delegates and alternates. We have 12 applicants so far. We've also received six Americanism essays.

Our Cancer Awareness Chairman and her committee are hard at work planning the cancer fundraiser for May 3rd. We are going to be donating to childhood cancer.

We hope everyone has a Happy Valentines Day.

For God and Country,
Robin Shellhammer

LADY LAKE UNIT 347

Laying of the Wreaths Tradition at Bushnell

By: Lois Bass, Historian

The Laying of the Wreaths at Bushnell is a cherished tradition that honors the memory of fallen soldiers and their sacrifices. It is a solemn event that brings together communities, veterans, and organizations to pay tribute to those who have served the nation with valor and dedication.

One of the active participants in this meaningful tradition is the American Legion Auxiliary Unit 347. This esteemed organization is renowned for its commitment to supporting veterans, military service members, and their families. Their involvement in the Laying of the

Wreaths ceremony underscores their dedication to preserving the legacy and honoring the bravery of those who have served. In the most recent ceremony, President Maureen Caswell took an active role in laying the wreath. Additionally, Sgt. of Arms Pat Morrow was an integral part of the color guard as she carried the Unit 347 flag.

The participation of the American Legion Auxiliary Post 347 in the Laying of the Wreaths at Bushnell is a testament to their unwavering commitment to honoring the nation's veterans. Their involvement not only highlights the importance of remembering the past but also reinforces the values of patriotism, duty, and respect that are central to the American Legion Auxiliary's mission.

As the wreaths are laid and the American flag waves proudly, the ceremony at Bushnell stands as a poignant reminder of the sacrifices made by those who have served. It is a moment of reflection, gratitude, and unity, bringing together individuals and organizations in a collective act of remembrance and honor. The American Legion Auxiliary Post 347's participation in this tradition ensures that the legacy of the fallen continues to be celebrated and cherished for generations to come.

The American Legion Auxiliary Unit 347 Spreads Christmas Cheer **Heartwarming Efforts for Children and Seniors in Need**

By: Lois Bass, Historian

The American Legion Auxiliary Unit 347 played a significant role in bringing joy and hope to many through their participation in the Salvation Army Christmas angel tree initiative. This year, Denise Hailsey took the lead in presenting the membership with 100 angels, divided evenly between boys and girls aged 0 through 12 years old. Each angel represented a child in need, and the members of the Auxiliary eagerly took on the task of returning these angels along with gifts for the children. In addition to the angels, the American Legion Auxiliary Post 347 took three families to provide them with a fabulous Christmas.

The response from the members was overwhelming and heartwarming. Denise and her dedicated team successfully collected and delivered well over 100 toys and pieces of clothing to the Salvation Army, ensuring that many children experienced the joy of receiving gifts during the holiday season. Moreover, Denise extended her generosity to older adults in need by offering 50 bells, each accompanied by thoughtful suggestions for gifts. The Auxiliary members once again rose to the occasion, and the team managed to deliver over 50 gifts to seniors, providing them with much-needed warmth and cheer. Thanks to the tireless efforts of Denise Hailsey and the American Legion Auxiliary Unit 347, countless children and seniors had a very Merry Christmas. The community's spirit of giving and compassion shone brightly, making the holiday season memorable for those who needed it most.

LEADERSHIP

Can you believe it is almost time for our year end reports? Don't wait until the last minute start making your outlines now and just fill in the blanks. If you have already completed things like Poppies or submissions for the Americanism Essay contest, you can go ahead and knock those reports out now. Remember, you do not have to do this alone. Several units will hold pizza parties where they can compare notes on what each member and the unit have accomplished for the year. The most important thing to remember is to have each member of your unit complete the MEMBER Impact form and get back to your UNIT President. The UNIT president will then send that into the DISTRICT president who then in turn sends her numbers to the DEPARTMENT President who turns that into NATIONAL. These numbers are directly reported to Congress so that our lobbyists can work towards better funding for our veterans. Without these numbers, they do not see all of the hard work that has been done.

The form can be located at : alafi.org > Forms and Resources > Unit Forms > Impact Forms Member.

The front pages give some great suggestions on how or where to count your hours. Do you cook meals at your home post all the time? Those hours can be counted towards serving your ALA in your community .. remember even if you are working the mission outside of a sponsored Unit function, those hours still count! At the March District Meeting we will be discussing reporting and the impact form even more.

Aside from the Impact form your unit chairman need to submit reports for the programs that were worked throughout the year. Before you sit down to write the report, be sure to check out the Program Engagement Plans and also the Year end report forms so you know what questions you will need to include in your report. You do not HAVE to write a narrative unless you are applying for an award, a few bullet points discussing how you worked the program and that counts towards a report!

I have been asked a few times how to apply for National Awards, the criteria and instructions can be located at <https://member.legion-aux.org/member/award-for-excellence> . Remember pictures are worth 1000 words so submitting photos helps tell your story.

While not all Units work 100% of our programs, if there is one that your unit does not do, instead of not submitting a report, simply fill out the required form and state that your unit did not have any activity in the program this year. Guess, what? You just got a 100% reporting on that program!

While we are discussing leadership, there are some great new classes that are available online at the ALA Academy. These include : Celebrating Women of Service, Insurance Information for Girls State programs, How to apply for an AEF Grant, Tax Exemption Status and so much more. All of this is free! Just enter your member number online and go to the ALA Academy Section.

Finally, remember it's okay to brag on yourself and your unit for the hard work you do to service our Veterans and Community !

For God and Country,
Penny Kanbara, District 6 President

CHILDREN & YOUTH—Lisa Hoyland

Here is some important information from our Children and Youth Chairman and Department 3rd Vice Lisa Hoyland:

News from Camp Boggy Creek

Please start collecting items for Camp Boggy Creek. They currently need beach and large bath towels for their pool and can always use wash clothes, toothpaste, toothbrushes, and travel soaps and shampoos. I hope to have a February Zoom Call scheduled soon, along with a date in March to deliver items to the camp and set up a tour.

April - Month of the Military Child.

What are your unit and district planning for the Month of the Military Child? Now is the time to start planning an event.

Some ideas:

- Month of the Military Child Table Ceremony. (See script attached)
- Wear Purple to the Unit and District April Meeting - take a picture, and let's flood our Facebook pages.

Month of the Military Child Proclamation. Contact your local officials today and ask if they would have the Month of the Military Child Proclamation presented at their March or April meeting. Many officials' offices are familiar with the proclamations process.

Mark Your Calendars for the 2025 Children and Youth Picnic Need Baskets

The Children and Youth picnic is scheduled for April 5 at Post 117, Palm Bay. I am awaiting an updated flyer and will post it on Facebook so that you can share it. I need your assistance in making this a great success this year. Please consider donating a basket for this event from units in your district or even a district basket.
