CAROL'S WORDS OF WISDOM

Can you believe its March already, This year has been flying by. It is almost time to have your reports done and sent to the committee chairs by April 1st. Please make sure they are either post-marked to reach the chair by that date or emailed by that date or they will not be counted.

Very important.....To have 100% reporting you must download each program that you're not working on and write "We were unable to work on this program due to size of the unit etc." and send it to the appropriate chairman. NA or no activity will not be accepted this year. Let's all strive for 100 % reporting.

We will be having a 6th District meeting on March 7 at Post 347 in Lady Lake. Our committee chairs will talk about what they are looking for in reporting, and you will have time to ask questions. Registration is 9:30; meeting starts at 10:00am.

I have completed most of the unit visits, And will get to the rest soon. I will contact you on your meeting nights for my visit.

Please continue to work on Membership. We are doing great so far. the 6th District is shining. As of Friday 2/27/26, we are 94.27%. Lets reach 100 % by next month.

Please put March 22nd on your calendar. This will be our 6th District Fun Fest, a fund raiser for Girls and Boys State Transportation. We used to have a picnic that was on a Saturday, but to accommodate families, we decided to move it to a Sunday. It will be held at a Park in Tavares called Hickory Point. We will be barbequing, having games for the kids and adults and many more fun events. There will be basket raffles and 50/50. One thing we will be asking for is donations towards the food, baskets to raffle off and we will have an online sign up system for volunteers to help out. Raffles will be going off every hour so you do not have to be there all day. You can sign up for a shift or whatever time you want. The link to sign up for volunteers / side dishes and raffle prizes is now live. The link is :

<https://www.signupgenius.com/go/10C0F44ACAA22A6FAC25-62519881-district#/>

The food will be choice of Chicken, Hamburger or Hot dog with sides for \$15.00

Also, Please support Penny Kanbara for 3rd VP on Department. She is so well deserving of this position and is one of the most compassionate and dedicated members of the Auxiliary.

Happy St Patrick's Day to all and thank you for all you do.

Stories From Our Units

ORLANDO UNIT 19

Jr Lily Jessen, back row, in the middle, was chosen to represent Wolf Lake Middle School for the OCPS All County Chorus. Practice was after school and at a high school to get ready for the January 27 chorus. Unit 19 is

proud to have our Juniors working the programs. Lily also volunteers every week at Wolf Lake Elementary School assisting a kindergarten class before attending her classes at the middle school.

Education Program—Thespian Competition

Jr Lily Jessen and group representing Wolf Lake Middle School. Lily is on the left. Renee DeRouin was the team Mom and chaperoned 2 days to the Orange County Convention Center, February 6-7, 2026. The theater teacher at Wolf Lake Middle School left February 5.

As the team Mom, Renee was in charge of the students at the state competition. She has extensive experience in acting and singing so the school arranged for Renee to take over for the weekend as a Dividend.

The kids were very happy that they could still go to State.

Community Service—Equestrian Competition

Sr Unit 19 Member, Colette DeRouin had 17 hours of community service as the Team Mom getting the girls ready for the equestrian competition.

Evelyn DeRouin competed against 54 other riders and placed 1st in Patterns and 2nd in Rail. Evelyn is set to go to Nationals in Virginia in June. Evelyn also completed 6 hours of community service by caring for the horses and doing makeup for team members.

MOUNT DORA UNIT 35

Auxiliary Unit 35 had some great events this month. We had Trivia night with our very own Auxiliary Lynda Fleming leading the game. There was a lot of competition and the big winners, Shannon and Rob, pushed ahead of the other teams by only one point! We also had Deputy Walter Wolf give us a presentation on all the available programs through the Sheriff's Office. It was a very informative presentation that will benefit many members of the Unit.

WINTER PARK UNIT 112

We celebrated the addition of two new members in January, Mercedes Reedy and Lorraine Schwab. Their spouses are both members at Post 112. Welcome to Auxiliary Unit 112! Our membership now stands at 103%.

We were pleased to participate in the Legion National Commander, Dan Kiley's, visit to our Post on 1/30. Marge, Debi, and Nell attended and we presented to our Post Commander a piece of art work done by one of the participants in the MOAA Creative Arts program for which we assisted in their receiving a \$2500 grant from the National American Legion Auxiliary Foundation.

On February 1st, Marge, Lisa, Debi, and Nell celebrated the Four Chaplains at the First Baptist Church of Winter Park. Chaplain Debi took on the role of one of the four Chaplains.

At our February meeting, we selected Caroline M. from Dommerich Elementary as our winning entry for the Department's Americanism Essay contest.

Caroline will receive a certificate and an Auxiliary Essay medal at the 5th grade awards ceremony at the end of the school year and has also been entered in the statewide essay contest.

Our seven Girls State candidates pictured at left are from Oviedo High School, Trinity Prep, and Winter Park High. Interviews were held on 2/23. Our delegates, Ava and Emily, and alternates, Jordina and Kellen are pictured below:

WINTER PARK UNIT 112—Continued from Page 6

The February Post meeting saw Auxiliary Unit member, Dr Sara Hoefler, presented the DAR Women in American History Award to Legion member Leslie Belz. Leslie was one of the first married women with children to join the Women's Army Corp in 1974 as she began her military service. Leslie trained as a welder and later transferred to the regular Army and was the first woman to be assigned to the 46th Engineer Battalion at Ft. Rucker, AL. Leslie

was presented with the Women in American History Award, joining other women like Amelia Earhart, Eleanor Roosevelt, and Rosa Parks as recipients of this very prestigious award.

We continue to receive very cute pictures from the first grade teacher at Eastbrook Elementary that we support every year for our Give 10 to Education project. This time, our pictures show her students with their books celebrating the 100th day of school along with their Valentine's Day books.

One of our youngest juniors, Kindergartner Braelyn C, supported her school's fundraising efforts by running 20 laps in the *Mustang Marathon*. Braelyn joins another of our member runners, Senior member Terry, who recently ran the Disney marathon events. Terry has already completed her 250 hours of fitness activities in the Legion's USA250 Challenge.

As we approach the end of the school year, we are preparing for the presentations of our Scholastic Achievement and Americanism Essay medals to the young girls and boys at the five elementary schools we serve. Look for pictures in the June newsletter.

FRUITLAND PARK UNIT 219

Unit 219 has been very busy with fundraising efforts, hosting District President Carol, wearing RED on Fridays, visiting Veterans to give them a Caring Bear and working membership & recruitment.

On Monday, February 9th District President Carol Pirone-Udell made her official visit to Fruitland Park Unit 219. She spoke to the members about upcoming events and reports as well as thanked everyone for all they do. Carol gave the Unit the dates of Department President Robin Burk's upcoming visit to the 6th District. After the meeting the Unit celebrat

ing Carol and tried to get some "Brownie Points." It was a great meeting and President Clay Norman did a fabulous job.

Valentines Weekend – Friday the 13th & Saturday the 14th was a fun and heartwarming experience for Patty Halliday, Lois Halliday & Dara Oliver. Under the direction of VA&R Chair these ladies delivered Caring Bears and visited over 40 Veterans, just on Friday and many more on Saturday. They stopped by Nursing Homes, Assisted Living Facilities as well as a couple home visits. One of their favorite stops was to see 2 Unit members Victoria & Will Gilmore (who are

also Veterans) but can no longer attend Unit meetings because of some health-related issues.

The Unit had an opportunity to host a 3-day Crafty Crop Retreat and reached our goal. Dara Oliver had the idea from a similar event that is held in her neighborhood. Participants can bring their supplies and crafts and are able to leave their belongings spread out there on the table that they “rent”. The crafters made items such as cards, scrapbook pages and diamond dots. The crafters are told they can “come & go” as they wish but cannot bring in outside food or drinks. Most ladies enjoyed the food that was donated by members that the crafters could get for a donation of \$5.

On Monday the 16th of February Unit 219 President Clay Norman & Membership Chair Becky Drake, received a personal phone call from Department Membership Chair: Dawn Davis. She was calling to congratulate John Gella Memorial Unit on hitting 100%. This was an achievement that wasn't done until May of last year. We are so Proud to have reached this percentage, and we aren't done yet!

Lite – Bites & “Shoots” game (similar to “Show Me The Money”) is a monthly fundraiser that the Unit also has generous members donate and make a meal for the attendees and ask for a donation. This was a recent change that the Unit realized was necessary to be able to make the most proceeds. The Unit has been trying to be strategic in fundraising efforts so that they can increase their allocated funds and donations.

THE UNIT MAY BE SMALL ... BUT THEY ARE MIGHTY!!

BITHLO UNIT 242

When a local statuary company decided to close up shop and retire a member of the American Legion Auxiliary 242 spoke to the owner and was able to get two life size cement statues donated to American Legion Post 242. The owner was very generous since he thought he would just have to destroy them if no one wanted to take them. That's when auxiliary members stepped into action. With the help of the other families at the post the statues were moved to an auxiliary members property for storage until the exact location was prepared for the delivery. Extensive work took place, but the statues were finally placed along with a professional refurbishing of each statue. Now our Marine and Pilot stand at attention to welcome veterans and their families to Post 242.

PINECASTLE UNIT 286

Happy St. Patrick's Day everyone. Unit 286 started collecting Teddy Bears in January for the Caring Heart Bear Project. We have collected 147 bears of all kinds and will continue to collect until the end of March. The National Commander Dan K. Wiley visited Post 286 on January 29th. The Auxiliary members that were there presented bears to both Commander Wiley and to Department Commander Jessica Blair Moore.

Two members of the Auxiliary read parts in the Four Chaplains program. The unit invited all 29 girls state applicants to attend the program. There were 16 of the 29 in attendance. They all were very touched by the program and said they would like to attend again next year and bring more people with them.

They all were very touched by the program and said they would like to attend again next year and bring more people with them.

On Valentines Day six members went to the Alwyn C. Cashe State Veterans Home and gave 120 veterans a teddy bear. This was a very heartwarming day for all of them. Unit members were able to chat with some of the veterans. We only have a picture of one of the veterans as we weren't allowed to take pictures. The veteran (Charles DeGuardo) we were allowed to take a picture of is a family member to one of the auxiliary members.

On Saturday, February 21st, the unit had girls state interviews. All of

the girls were so good, it was very hard to choose just four delegates and alternates. We were able to share girls with two other units. We still have a lot left if anyone other unit is in need of a girl.

ABC School of Instruction will be held at our post home on March 14, 2026. Registration will be at 9am and the class will start at 9:30am.

Program Feature of the Month

HISTORY—DARA OLIVER

Writing a History about your Unit shouldn't be hard ... it will take your time, patience and some thought, but if you've been keeping track, saving calendars, minutes and posting on social media about your activities, events and programs – it will be a piece of cake!

Unit Reports will be due April 1, 2026 and can be found at www.alaf.org under Programs / Member; Org Support / Historian

Please remember that saying “NO REPORT” will not be accepted.

The History of Every Unit occurs daily, it's just that it needs to be documented. Your report is answering the questions as to specifics about your Unit's history ... not your actual written History of your Unit. Encourage all members to help write a story about each event or ask members to assist in making a page of a scrapbook for the Pictorial History book submission and don't forget about our Junior members! Encourage your Juniors to write what they did this year either as a member or what your Jr. group did as a whole. If you need help in completing your report, writing a history, how to put together a pictorial history book or how to submit for an award please reach out to me, as I am here to help and strive for 100% reporting.

I was fortunate to have held a Crafty Crop Retreat at Unit 219 in Fruitland Park, for some scrapbookers as a fundraiser recently. While there, part of the ladies' task was to complete a page in our District Pictorial History Book. The creativity and originality on each page was amazing and I can't wait for the book to be finished so that President Carol Pirone-Udell can have this amazing keepsake.
