

The background of the poster is a dark, atmospheric illustration. At the top, a large, full, pale moon hangs in a dark sky, with several black bats flying around it. To the right, a gothic-style castle with multiple spires and lit windows is visible. The entire scene is framed by intricate, dark purple and black decorative scrollwork. In the top left corner, there is a spiderweb with a single spider. On the left and right sides, there are stone pillars topped with glowing orange lanterns; each pillar has a skull carved into its base. At the bottom corners, there are two carved jack-o'-lanterns with glowing orange faces, each next to a lit purple candle. The text is prominently displayed in the center, with 'SPOOKY' and 'PARTY' in orange and 'HALLOWEEN' in purple, all with a dripping, blood-like effect.
